

**10/10/09 - Mergers & Acquisitions, a debate****Fusiones y adquisiciones, a debate**

Diario de Sant Cugat

"The Sant Cugat International Business Club has discussed during its monthly meeting the aspects relating to mergers and acquisitions in the field of business. Jordi Blasco and Martin Mayer of ARS Corporate Company have given an overview of coaching in the process of mergers and acquisitions and especially stressed the importance of human factors and the necessary trust between the coach and the direction of the company. ... .."
